

COMMAND™ KNIT FOAM NITRILE

KKC1FN

HIGH PRECISION DEXTERITY

The KKC1FN delivers unparalleled dexterity and durability to high-precision tasks. The long-lasting, but pliable, foam nitrile palm delivers superior grip in dry, wet & oily conditions, while the reinforced saddle extends the overall life of the glove. And a special coating formulation provides guaranteed touchscreen functionality on any device or instrument panel. The KKC1FN delivers an excellent performance value for safety programs at any scale.
