

➤ **COMMAND™ A9 SN**

KKC9SN

**SUPERIOR DEXTERITY & CUT PROTECTION**

Designed for tasks requiring comprehensive finger mobility and grip on wet surfaces where high cut hazards are present. Textured nitrile palm with impermeable base coating provides great grip and blocks liquids plus touchscreen capability. Blended HPPE/Tungsten knit provides ANSI A9 cut resistance and dexterity. Ideal for industrial use, manufacturing and maintenance.

TECHNICAL INFORMATION:**PRODUCT FEATURES:**

- Sandy Nitrile Command™ Touchscreen Coated Palm for Superior Grip
- 18 Gauge HPPE/Tungsten Knit for Balanced Cut Resistance & Dexterity
- Nitrile Thumb Saddle Reinforcement for Extended Durability
- Color Coded Thumb Saddle for Visual Safety Check
- Packaged for Vending - Sold by the Dozen
